

Central Intelligence Agency

Washington, D.C. 20505

The Honorable Augustus F. Hawkins
Chairman
Committee on Education and Labor
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

I am pleased to respond on behalf of the Central Intelligence Agency to your letter of December 4, 1985 concerning H.R. 1524.

The Agency's concern with this legislation has been the sufficiency of the exemption for employees of Agency contractors. We have reviewed the "Amendment in the Nature of a Substitute to Section 6 (b) in H.R. 1524" which was enclosed with your letter. Assuming that this amendment were to be adopted as part of the bill as reported out by the Committee on Education and Labor, the Agency's concern would be alleviated and the Agency would have no objection to this legislation.

The Office of Management and Budget has advised that there is no objection to the submission of this report.

Thank you for the opportunity to comment on this legislation.

Sincerely,

Charles A. Briggs
Director, Office of Legislative Liaison
